

Williamsport Symphony Junior Strings

Director Recommendation Form

Dear Colleague,

Your student is interested in gaining membership into the WSJS. This is a group that is made up primarily of middle school and exception elementary string students from in and around the Williamsport area.

Because this is our first year for the ensemble I am accepting students into the group based on teacher recommendation in place of audition. The audition process can be daunting for younger players. We will slowly incorporate that into our group over the next year. Please take the time to fill out this form and return it to me via email, US mail, or place a phone call.

Thank you for your time and I look forward to meeting and working with your students. ‘

Sincerest Regards,

Matthew A. Radspinner
